

LITTLE TOWN OF RUMSEY UNDER WATER

People in Distress Appeal to Mayor Bosse of Evansville

RIVER IS NOW AT A STANDSTILL

Rumsey, Ky., sick and hungry, Monday, appealed to the Evansville city administration for aid. T. H. Valentine, a farmer living near the McLean county town, came to the city Sunday as the representative of the city and saw Mayor Bosse Monday. The mayor told him to go back home and appeal at once to the neighboring town of Oallhonn, then try to obtain help among the people of Rumsey. The mayor made it plain that Valentine was to report to him immediately if he found he could not in this manner obtain the desired relief. According to the story Mr. Valentine told, Rumsey, which is eighty miles from Evansville, has been submerged by the flooded Green river since Dec. 17. The town contains 150 families of from two to five people. Grip is prevalent, there having been many deaths and one man is said to have met his end Sunday when he broke through the ice in the flooded district and was drowned. The flooded territory is said to be from three to five miles wide and about eighteen miles long.

DRINK GLASS OF WATER EVERY TWO HOURS

Tells Rheumatism Sufferers Eat Less Meat

Rheumatism is easier to avoid than to cure states a well known authority. We are advised to dress warmly; keep the feet dry; eat less meat, but drink plenty of good water. Rheumatism, authority states is a direct result of rich food, too much meat, which produces uric acid and is absorbed in the blood. The kidneys performing their duty through the waste of the pores of the skin, also assist the kidneys in throwing off this waste matter from the system. In cold bad weather the pores are closed, your kidneys are forced to do double duty, therefore often they become weak and fail to eliminate the uric acid which accumulates and in time settles in the joints and muscles causing stiffness and soreness and this is Rheumatism.

If you have this trouble now get from your druggist a bottle of Ewell put two teaspoons in a glass of water and drink every two hours one bottle gives several days treatment. Numbers of cases in the most severe form have been benefited greatly by Ewell. It contains nothing harmful and is the reward of long and successful experiments. You can get Ewell from your local druggist KING & SONS.

Pipes Burst Over Postoffice

The patrons of the Post Office were given a free shower bath yesterday morning on account of the pipes in the upstairs rooms of the Victory building bursting. Postmaster Barnett immediately got busy and had the water turned off until the damaged pipes could be repaired.

IN FIVE MINUTES! NO INDIGESTION, GAS OR SOUR, ACID STOMACH

The moment "Pape's Diapepsin" reaches the stomach all distress goes

"Really does" put bad stomach in order—"really does" overcome indigestion, dyspepsia, gas, heartburn and sourness in five minutes—that—just that—makes Pape's Diapepsin the largest selling stomach regulator in the world. If what you eat ferments into stubborn lumps, you belch gas and eructate sour, undigested food and acid; head is dizzy and aches; breath foul; tongue coated; your insides filled with bile and indigestible waste, remember the moment "Pape's Diapepsin" comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is its harmlessness.

A large fifty-cent case of Pape's Diapepsin will give you a hundred dollars' worth of satisfaction or your druggist hands you your money back.

It's worth its weight in gold to men and women who can't get their stomachs regulated. It belongs in your home—should always be kept handy in case of a sick, sour, upset stomach during the day or night. It's the quickest, surest and most harmless stomach regulator in the world.

Obituary

Ralph Hall, born July 27, 1852, in Durham, England, and departed this life Jan. 13, 1916.

He was married to Wilmet Charetta Wyatt Jan. 5, 1873. To this union were born nine children, four of whom preceded him, Anna, Mary, Maggie and Emma have gone to the better world. The ones left to mourn their loss are his wife, two sons, Eddie and Thomas, and three daughters, Lizzie, Susie and Ida, one brother, Geo. Hall, and many friends who will miss him.

He joined the M. E. Church in 1890 and for many years was a constant attendant, but in later years he didn't attend church as he should have done, but we hope to meet him in the world where sorrow is never known. Before he died he called for Christian people to pray for him. We believe he made peace with his Saviour before the end came.

Precious father, he has left us, Left us, yes, forevermore, But we hope to meet our father On that bright and happy shore.

Lonely the house and sad the hours Since our dear one has gone, But, oh, a brighter home than ours In heaven is now his own.

Written by his daughter,
SUSIE WILSON.

MRS. BRIGGS OF THE POULTRY YARD

Makes Good at Temple Theatre Friday Night—House was Packed

The play, "Mrs. Briggs of the Poultry Yard," given at Temple Theatre on last Friday night, for the benefit of the Public School Play Grounds, was a howling success. The house was well filled with an enthusiastic audience and the laughter and applause was almost continuous. The play was gotten up and staged by Miss Martin who has had several years experience along this line, and she is to be congratulated on the decided success of this play gotten up in such short time. The "Bridal Chorus" the "Bill Posters Chorus" singing games, Tambourine drills, black face chorus" and "Dutch Chorus" were all real good and were greatly enjoyed. Miss Elizabeth Rish in the "Japanese Drill" deserves special mention and was generously applauded. In Mrs. Briggs of the Poultry Yard, Miss Elizabeth Long was leading lady and played her part to perfection. She was ably assisted, however, by strong support from the other characters in the play. The receipts were satisfactory and quite a nice little sum was added to the school play ground fund. The Mothers Club deserve much credit for getting numerous advertisements for the program and for the prompt efficient manner in which this important part of the work was carried out. Thanks are also due the Messrs Webb, Wiley and Mrs. David Cowell, and Misses Oldham and Fenwick, for the excellent music rendered. The same play, with the omission of the drills by the little boys and girls and the black face drill will be given at Mortons G. P. tonight.

Dissolved Partnership

The firm of Cansler & Brown Bros. have dissolved partnership. Mr. John M. Cansler retiring. Brown Bros. will continue to conduct the business at the same stand and ask the patronage of their friends and customers. It is not known definitely what Mr. Cansler will do yet.

A NEW SKIN.

Snakes throw off their outer skin once a year. Human beings change their skin perhaps nine times in a year; that is, they have a new skin about once in six weeks.

The value of a clean skin in maintaining health is not properly understood by the majority of people. Cleanliness is a part of health. You cannot be healthy unless you are clean not only externally, but also internally.

The blood should also be assisted occasionally, like the skin, in throwing off poisons so that the system may not get clogged and leave a weak spot for disease germs to enter the system. When the blood is clogged, we suffer from what is commonly called a cold.

Dr. Pierce's Golden Medical Discovery purifies the blood and eradicates the poisons that breed and feed disease. It is best for scrofula, eczema, boils, pimples and other eruptions that mar and mar the skin. Pure blood is essential to good health. The weak, run-down, debilitated condition which so many people experience is commonly the effect of impure blood. Dr. Pierce's Golden Medical Discovery not only cleanses the blood of impurities, but it increases the activity of the blood-making glands, and it enriches the body with an abundant supply of pure, rich blood.

Take it as directed and it will search out impure and poisonous matter in the stomach, liver, bowels and kidneys and drive it from the system through the natural channels.

RIGHT HERE IN KENTUCKY.

Louisville, Ky.—For all of ten years I have depended on Dr. Pierce's Pleasant Pellets. My husband and I both use them. They are the best remedy for biliousness and constipation. I am a practical nurse and I know what I say. I gladly recommend them.—Mrs. A. Chadwick, 2405 Bank St.

Constipation causes and seriously aggravates many diseases. Then regulate stomach, liver and bowels by taking Dr. Pierce's Pellets.

DON'T SCOLD, MOTHER THE CROSS CHILD IS BILIOUS, FEVERISH

Look at tongue! If coated, clean little stomach, liver, bowels

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative" and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.

Keep it handy, Mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50 cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeits sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.

Music Recital

And Entertainment

A select programme of twenty five numbers including Piano solo, Duets, Trios and Vocal selections, were rendered by the music pupils of Miss Ellen Whalen at her home last Saturday afternoon.

At the completion of the musical programme which deserves much praise and credit to both pupils, and teachers, Miss Whalen entertained them with several musical games, and contests, which were very instructive and beneficial as well as enjoyable. After several hours spent in the enjoyment of music and games the Studio was finally deserted for the dining room where dainty and delicious refreshments were served. The favors were pluk and white carnations.

Something Doing at K. P. Lodge

The Knights of Pythias Lodge at this place is waking up considerably and the meetings are getting some pep in them lately. Among other things there has been inaugurated a debating society and on last Monday night the question for debate was "Resolved, That Woman Suffrage Would Not Be Best for This Country." Messrs. Chas. Cox and Harry Withers were on the affirmative and W. N. Martin and J. E. Fawcett on the negative. The flow of oratory was appalling. Each speaker was allowed 15 minutes, in which to make his argument. A vote of all members present decided in favor of the affirmative side and the question of woman suffrage was forever settled as far as Victoria No. 84 is concerned. Grave(?) charges were preferred against a prominent member of the lodge and a mock trial will take place on next Monday night. The committee on questions for debate appointed counsel for the plaintiff and defendant and an unusually interesting time is expected at the next meeting. All members of the lodge are requested to be present and take part in the proceedings. Dr. A. O. Sisk has been appointed a delegate to attend a meeting of D. D.'s to be held in Lexington and will leave for that city in a few days.

RUB RHEUMATIC PAIN FROM ACHING JOINTS

Rub Pain Right out with small trial bottle of old "St. Jacobs Oil."

Stop "dosing" Rheumatism. It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain and distress. "St. Jacobs Oil" is a harmless rheumatism liniment which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones, stops sciatica, lumbago, backache and neuralgia.

Limber up! Get a small trial bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment, you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

Auction Whist Club

Mrs. Southworth was the host of the Auction Whist Club on Friday afternoon. Mesdames Gilbert King and Hilary Spencer, of Fort Dodge, Iowa, were guests of the club. Mrs. Kline made the highest score with Mrs. Atkinson as a close second. Mesdames Kline, Ross, Johnson and Rieled in the total score. A delicious salad course was served at the conclusion of the game.

Colds

should be "nipped in the bud", for if allowed to run unchecked, serious results may follow. Numerous cases of consumption, pneumonia, and other fatal diseases, can be traced back to a cold. At the first sign of a cold, protect yourself by thoroughly cleansing your system with a few doses of

THE DRAUGHT

the old reliable, vegetable liver powder.

Mr. Chas. A. Ragland, of Madison Heights, Va., says: "I have been using The Draught for stomach troubles, indigestion, and colds, and find it to be the very best medicine I ever used. It makes an old man feel like a young one."

PAINS IN SIDE AND BACK

How Mrs. Kelly Suffered and How She was Cured.

Burlington, Wis.—"I was very irregular, and had pains in my side and back, but after taking Lydia E. Pinkham's Vegetable Compound Tablets and using two bottles of the Sanative Wash I am fully convinced that I am entirely cured of these troubles, and feel better all over. I know your remedies have done me worlds of good and I hope every suffering woman will give them a trial."—Mrs. ANNA KELLY, 710 Chestnut Street, Burlington, Wis.

The many convincing testimonials constantly published in the newspapers ought to be proof enough to women who suffer from those distressing ills peculiar to their sex that Lydia E. Pinkham's Vegetable Compound is the medicine they need.

This good old root and herb remedy has proved unequalled for these dreadful ills; it contains what is needed to restore woman's health and strength.

If there is any peculiarity in your case requiring special advice, write the Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., for free advice.

Dollars Waiting For You

Mr. Business Man:

All indications point to a vast improvement in business conditions in this community during the present year. Money will be plentiful, purse strings will be loosened, and prosperity will walk abroad.

But the extent of that prosperity will depend in large degree upon the attitude of the local merchant or other business man. It will depend upon his willingness to meet the liberality of the people in an equal liberality in his methods of bidding for their trade.

In other words, the business man who advertises his goods and meets the wishes of the people in their demands for advance information relative to the articles they seek, is the one who will reap the principal benefits from the prosperity that is expected to sweep over the land.

You, as a business man of this community, have a great opportunity before you. With the return of confidence in the stability of the country the people will unquestionably be liberal in their expenditures, and vast sums of money will be spent where heretofore rigid economy has been the order of the day.

It is the part of wisdom for the local business man to prepare at once to meet these changed conditions by placing himself prominently and advantageously before the people of this community, for assuredly he will be called upon to compete with other firms in other places who are not less energetic or far seeing than himself.

We strongly urge upon you the vital necessity for mapping out a judicious campaign of advertising in this paper during the coming year. The cost is small, and there can be no doubt whatever that the advantages will be great. Merchants in other places will be advertising heavily and in various ways in an effort to secure the trade of this community, and one of the least considerate of these will be the mail order man.

This suggestion means much to you in the matter of profits during the coming year, and we ask you to give it your serious consideration during the next few days. Then we will speak to you face to face.

Very Truly Yours
